Art at work
Like a piece of art, your Christmas tree should be as original as you are. Instead of the traditional red and green, try a more modern color palette. A tree with white, gold and silver ornaments is a sophisticated choice. Or go for a more eclectic look with a mix of colors and textures. The tree is the centerpiece of your home. Make sure it's the star of the show. This year, try a tree with a unique design. A tree with a unique design is a great gift for the homebody who loves to decorate.
